Review

"From Belle du Jour to Bridget Jones, the sexploit confessional has long been a popular genre, but Edwards's new book, *Confessions of a Tinderella*, takes it to new levels of disclosure as she 'fesses up about her real-life experiences of dating and dumping men on Tinder. Like a real-life Bridget [Jones], Edwards recounts getting laid, getting into scrapes, her biscuit-and-booze binges and, above all, wanting to meet Mr Right and marry him." Evening Standard "The perfect gift for your single girlfriend, whether she's still happily swiping or has given up on the dating game. *Confessions of a Tinderella* as told by former Tinder addict Rosy Edwards, is a hilarious and horrifyingly relatable account of modern dating. Guaranteed to have singletons cringing and laughing in equal measure." Marie Claire "Hilarious ... *Confessions of a Tinderella* recounts everything from bum-biting to beer goggles with brazen honesty." Express "A brilliantly honest book that's sure to provide proper belly laughs." Reveal "Totally addicted from the first page. It's relatable, funny and really moving in places. Rosy is amazing at conveying her feelings, especially instances of pathetic fallacy, and at points I had a lump in my throat. Of course it's also funny and endearing - a must read of anyone who has dabbled with dating apps, and lives in a city that can get a bit lonely at times." Emma Gannon
