GO ASK ALICE BY ANONYMOUS PDF

Go Ask Alice By Anonymous. Let's check out! We will certainly frequently discover this sentence almost everywhere. When still being a children, mom made use of to order us to always review, so did the educator. Some publications Go Ask Alice By Anonymous are completely checked out in a week as well as we need the obligation to assist reading Go Ask Alice By Anonymous Exactly what around now? Do you still love reading? Is reviewing simply for you who have commitment? Absolutely not! We below provide you a new publication qualified Go Ask Alice By Anonymous to review.

Amazon.com Review

The torture and hell of adolescence has rarely been captured as clearly as it is in this classic diary by an anonymous, addicted teen. Lonely, awkward, and under extreme pressure from her "perfect" parents, "Anonymous" swings madly between optimism and despair. When one of her new friends spikes her drink with LSD, this diarist begins a frightening journey into darkness. The drugs take the edge off her loneliness and self-hate, but they also turn her life into a nightmare of exalting highs and excruciating lows. Although there is still some question as to whether this diary is real or fictional, there is no question that it has made a profound impact on millions of readers during the more than 25 years it has been in print. Despite a few dated references to hippies and some expired slang, Go Ask Alice still offers a jolting chronicle of a teenager's life spinning out of control.

Review

"The Boston Globe" ...a book that all teenagers and parents of teenagers should really read.

"School Library Journal" This novel in diary form powerfully depicts the confusions of adolescence. Its impact cannot be denied.

"Library Journal" An important book, this deserves as wide a readership as libraries can give it.

"The New York Times" [This] extraordinary work for teenagers is a document of horrifying reality and literary quality.

From AudioFile

This "classic" about a girl's struggle with drug addiction is still being read widely by young adults. Written in diary form, it covers a year in the life of a 15-year-old as she's first introduced to drugs and then as she tries and fails repeatedly to shake the habit. Moore does an excellent job with the difficult task of narrating the diary entries, which are repetitious and noticeably lacking in action. Nevertheless, Moore reads with great emotion and is convincing as a teenaged girl. As she reads each entry, the listener knows from the outset, just from the tone of her voice, whether the main character is on or off drugs. Unfortunately, even her impeccable performance isn't enough to keep this from becoming tedious. This audiobook would have been much more successful in abridged form. S.S.R.
