Review

If you are a school teacher or a parent you will love this book. In very plain and simple terms it shows a child EXACTLY how to behave and respond appropriately. And it's done in such a cute and fun way. What an easy way to help mom and dad educate their child. And it really works! --Mandi Rowen, teacher and parent

This book is really the perfect way to help children learn the social rules expected in society. The illustrations are appealing and the book is written in a style that children relate to instantly. There are a lot of different titles in this series and because each book concentrates on different skills, they are equally adept at teaching children appropriate behavior. --Sue Ellen, Ph.D., Child Psychologist
