It is not type of you to do nothing in your spare time. Even you need some peaceful relaxes; it doesn't suggest that your time is for laziness. Were actually certain that you need added thing to accompany your spare time, don't you?

Review

Will astrology be ready to participate in the emerging new paradigm? In *The Astrology of Awakening*, Eric Meyers invites us from an astrology which orbits around ego towards a truly transpersonal perspective. Our ideas about this ancient art are transformed by a Copernican revolution. With key insights on every page, this is one of the most important books on astrology in decades. --Armand Diaz, Ph.D., author of *Integral Astrology*

Eric Meyers has presented a convincing case for how the patriarchal value system is still largely reflected in the way we practice astrology. With unflinching clarity, he deconstructs the good/bad designations and gender-based astrological interpretations we've all learned and offers fresh and common-sense ideas to meet our potential for spiritual evolution in the 21st century. Meyers has started an important and sensitive conversation. --Kate Sholly, *The Mountain Astrologer* magazine

In *The Astrology of Awakening*, Eric Meyers writes lucidly and cogently about the evolution of consciousness. He is emerging as one of the bright lights in the next generation of true evolutionary astrologers, adding his unique insights and integrative perspectives to the collective conversation. --Steven Forrest, author of *The Inner Sky*, *Yesterday's Sky*, etc.

About the Author

Eric Meyers, M.A. is both a counseling astrologer and an author/philosopher, currently living outside Asheville, NC. With a background in Transpersonal Counseling Psychology (Naropa University), his focus is on spiritual growth, emotional healing, the discovery of life purpose, and relationship astrology. Eric has found that astrology clarifies each person's unique path of spiritual awakening. Once we're able to resolve and love the past and work through our karmic patterns, we are more able to be mindful in the present moment. Eric is a graduate of the Steven Forrest Apprenticeship program; an "evolutionary astrologer" with a transpersonal emphasis. He has written 5 astrology books, and has lectured at astrology conferences and groups, book stores, metaphysical fairs and other venues. His deepest desire is to contribute to the renewal of astrology at this pivotal time in human history. Eric is putting forth a new paradigm for astrology, one that literally centers around spiritual realization instead of ego.
