Review

"In this compelling biography of a key player in the implementation of the Holocaust, Alex J. Kay succeeds in explaining the extraordinary journey of Alfred Filbert to becoming a mass murderer. Sound in judgement and full of novel insights, the book is an important addition to the genre of perpetrator studies."

Robert Gerwarth, Professor of Modern History and Director, Centre for War Studies, University College Dublin

"In The Making of an SS Killer, Alex Kay recounts the fishtailing life of a typical Holocaust perpetrator - not a desk perpetrator, but a face-to-face killer - who staggered from jurisprudence to mass murder to corruption to imprisonment and eventually to modest movie stardom: an intriguing, disturbing, amazing book about the conjunction of lunacy, banality, unscrupulousness, and aggrandizement that allowed normal people to become mass murderers."

Thomas Kühne, Strassler Family Chair for the Study of Holocaust History and Professor of History, Strassler Center for Holocaust and Genocide Studies, Clark University

"A thought-provoking and richly documented journey into the mindset of an SS killer."

Mark Roseman, author of *The Villa, the Lake, the Meeting: Wannsee and the Final Solution* (2002)

"One brother a Nazi murderer and the other a communist in a concentration camp: thus the history of the Filbert family. Alert to contingency as well as ideology, Alex Kay takes an important step towards understanding mass murder in this skillfully crafted book."

Timothy Snyder, author of *Black Earth: The Holocaust as History and Warning* (2015) and *Bloodlands: Europe Between Hitler and Stalin* (2010)
