From the Back Cover

Praise for The Pledge

"I've been an admirer of Michael Masterson's work for many years, which is why I was so happy to see him tackle the all-important subject of his latest book. What I especially like is that he didn't take the route of many self-development authors and simply offer worn-out, generic advice. For those serious about improving their lives—personally, socially, and financially—Michael has laid out a clear road map to success. The Pledge is loaded with practical, simple, effective strategies that really work."

—Robert Ringer, author of *To Be or Not to Be Intimidated?* and *Restoring the American Dream*

"This wonderful, warm, insightful book is loaded with great ideas and practical methods that help you to achieve more in every area of your life."

"What a happier, richer, more satisfying world this would be if everyone could be personally mentored by Michael Masterson, as I've been. Unfortunately, that's simply not possible. But here's the next best thing. In *The Pledge*, Michael doesn't just challenge you to achieve the things you really want. He reveals the specific, concrete steps to make it happen. You can't put a price on this kind of knowledge. And I don't know anyone who wouldn't benefit from reading this book."

I can do this!' and your success-oriented mindset will take flight. Michael clearly articulates that the doing-nothing method guarantees failure whereas doing something guarantees results. Take the pledge today . . . not tomorrow . . . not next week . . . TODAY! This book outlines your CALL TO ACTION."
