Review

"In this work, John Davvidson has probed the origins of Christianity in a provocative and illuminating way. By carrying us back to our beginnings, we see both the brilliance of essential Christianity and the distortions through which this tradition has been filtered through the ages. It is a goldmine of new insights." -- Rt. Rev. John Shelby Spong

About the Author

John Davidson has had a life-long interest in mysticism. Graduating in 1966 from Cambridge University with an honours degree in natural sciences, he took a post at the Uni-versity's Department of Applied Mathematics and Theoretical Physics, where he worked for seventeen years. In 1984, he left the University to pursue independent interests and since then has written a number of books, including a series on science and mysticism and the ground-breaking work, The Gospel of Jesus - In Search of His Original Teachings.
