Moreover, when you complete this book, you might not only solve your interest but additionally find real significance. Each sentence has a really great definition and the choice of word is very extraordinary. The writer of this book is really an awesome individual.

Review

“Writing Genres presents an excellent, comprehensive discussion of contemporary genre theory as it has developed in the field of composition and writing over the past twenty years. The scholarship here is well informed and wide-ranging, drawing on historical linguistics and sociolinguistics, literary theory and history, composition studies, rhetorical studies, and cultural studies, and in its breadth it is excellent.”—Carolyn R. Miller, North Carolina State University

About the Author
