Also you do not know yet guide is actually written about, you will know from th

## Review

"American history is cluttered with wrongful convictions and miscarriages of justice. In *An Evil Day in Georgia*, author Robert Smith raises lingering questions about the guilt of two men—one white and one black—executed for a murder in the Deep South in the 1920s. . . . The telling of this story, one that played out in the Jim Crow era and the days of bootlegging and the Ku Klux Klan, exposes the death penalty's imperfections even as it calls into question the veracity of a woman's confession, later recanted, that once brought her within a stone's throw of the state's electric chair."

—John Bessler, author of *Cruel and Unusual: The American Death Penalty and the Founders' Eighth Amendment*

## About the Author

Robert N. Smith is an independent scholar living in Oxford, England.
