Locate numerous publication groups in this website. As one of one of the most seen website, we always offer the most effective thing. One of them is Clinical Dermatology (Clinical Dermatology (Habif)) By Thomas P. Habif This is just one of one of the most referred publications from us to attend to you. The reading publication will be constantly the motivating publication not only for individuals that over this topic however likewise others. To know exactly how exactly this book will disclose you could comply with more details listed below.

Review

"What makes the book unique is that it has a single author, and the same crisp writing style exists from the first page to the last. All of the chapters flow beautifully... Clinical Dermatology is highly recommended for general practitioners and will likely be the only dermatology textbook needed." JAMA, April 11, 2012?Vol 307, No. 14, p1534

2010 BMA Book Awards - Highly Commended - Medicine category

"This is an easy to use book, with beautiful clear illustrations and a useful disorders index. It is easy to use as a quick reference with well-laid-out tables and internet access." Judges Comments

Doody's Review - July 2010

****Description****

This is a practical, useful guide to sound diagnoses of most of the more common dermatologic diseases with useful treatment protocols.

****Purpose****

It is a useful, practical guide, easily accessible to dermatologists and nondermatologists alike, to facilitate diagnosis and treatment of the more common skin diseases. A practical yet thorough guide like this is very useful in the field and the book attains its goal splendidly.

****Audience****

Dr. Habif is a leader in the field of dermatology and is a master at imparting information in a clear and concise manner. He writes his book for students, nondermatologists, and dermatologists, and all will find it accessible, useful, easy to read and understand, and worthy of reading.

****Features****

Suggestions on how best to access and glean the most from the book start things off. A few minutes here and this detailed and thorough book becomes an easy and quick guide. Some basic chapters follow on nomenclature, necessary for communication in the field, and on topical steroids, which need to be understood in order to be safely and effectively used. The remainder of the book is divided into classes of disease. Unique features include an expanded online component with surgical procedures, references, and a dermatologic formulary. The latter will be updated and, thus, kept current. An index of disorders on the inside cover enables quick reference. The first page has a two-page index of commonly used medications and the last has a more detailed list of topical steroids. The book is thorough and detailed, yet easy to access quickly and will remain current with the companion web site.

****Assessment****

Dr Habib has refined his textbook, and this fifth edition is an easy to access, useful, practical guide that practicing dermatologists can turn to daily, nondermatologists can use to accurately diagnose and treat most of the more common dermatologic conditions, and students can use to learn dermatology in a useful and thorough manner. Because of the great attention paid to every aspect of this book, it is more practical and useful, while remaining thorough and detailed, than any other in dermatology.

Weighted Numerical Score: 95 - 4 Stars!

About the Author

Thomas P. Habib, MD, Clinical Professor of Surgery (Dermatology Section), Geisel School of Medicine at Dartmouth, Hanover, NH, USA

CLINICAL DERMATOLOGY (CLINICAL DERMATOLOGY (HABIF)) BY THOMAS P. HABIF PDF
