HELMUT NEWTON PDF

The option to obtain this publication is that we do not over you the complimentary publication. But, we provide you the totally free details about Helmut Newton: SUMO, Revised By June Newton Helmut Newton Why must be this publication to check out and where is the place to obtain it, also the soft file types are common concerns to utter. In this website, we don't only offer this book. We have still great deals of books to review. Yeah, we are on-line library that is always packed with advised books.

Amazon.com Review

Bringing an entirely new slant to the concept of the coffee-table book, SUMO is a suitably enormous homage to 79-year-old Helmut Newton, the master of subversive and erotic photography. "I wanted to build a monument to the most important photographer of the 20th century," comments Benedikt Taschen, the publisher behind SUMO. He delivers. Weighing over 65 pounds, measuring more than two feet long, and breaking any previous size record in book publishing, SUMO contains 480 pages of every aspect of Newton's outstanding career in photography. Each copy of the book is bound by hand and numbered and signed by the artist. In order to showcase this colossus, the book is packaged with its own stand designed by Philippe Starck.

This outsized volume contains the body of Newton's controversial yet iconographic work, documenting fashion, fetishism, and above all an overriding obsession with voyeurism that can make the viewer feel complicit or uneasy by turns. Newton himself describes SUMO as "terrifying and outrageous. I don't even look at it as a book.... I look at it as an object." --Catherine Taylor, Amazon.co.uk

From the Publisher

"HELMUT NEWTON'S SUMO WINS INTERNATIONAL CENTER OF PHOTOGRAPHY'S 1999 INFINITY AWARD AT MAY 11 CEREMONY

Helmut Newton's SUMO published by TASCHEN has been judged the Best Book on Photography Published in 1999 by world-renowned International Center of Photography.

SUMO, the biggest and most costly book ever produced, was judged best in a field of outstanding photography books published in the last year of the 20th century. Conceived as a monumental tribute to Helmut Newton, arguably the most influential and controversial of contemporary photographers, SUMO has become a star in its own right by winning this honor in a field filled with worthy books devoted to photography."

About the Author

Helmut Newton (1920-2004) was one of the most influential photographers of all time. He first achieved international fame in the 1970s while working principally for French Vogue, and became celebrated for his controversial scenarios, bold lighting, and striking compositions in street or interior settings, rather than

studios. His many titles and awards included Commandeur de l'Ordre des Arts et des Lettres.
