From School Library Journal

YA?Danticat, born under Haitian dictatorship, moved to the U.S. 12 years ago. Many of the stories in this moving collection reflect the misery she has observed from afar and leave readers with a deep sadness for her native country. Survivors at sea in a too-small, leaky boat endure any indignity for the chance at escape. Selections about those remaining in Haiti have a dreamlike quality. A woman must watch her mother rot in prison for political crimes. A young father longs so much to fly that he gives his life for a few moments in the air. A prostitute plies her trade while her son sleeps. "New York Day Women" shows what life might be like in the U.S. for immigrants without resources. Through unencumbered prose, the author explores the effects of politics on people and especially the consequences of oppression on women, the themes of which figure into each of these vignettes.?Ginny Ryder, Lee High School, Springfield, VA

From Library Journal

This collection of previously published but interrelated short stories presents the harsh reality of daily Haitian life under a state-approved terrorist regime. Despite the harshness, Danticat beautifully balances the poverty, despair, and brutality her characters endure with magic and myth. For many characters, she also explores the inevitable clash between traditions of Haitian home life and a new American culture. Principally mothers and daughters confront each other in these cultural and intergenerational wars, wars that would be emotionally devastating were it not for the indomitable presence of love. This theme is treated best in the work's longest piece "Caroline's Wedding." krik? krak! is Danticat's second publishing venture and second triumph following her well-received first novel *Breath, Eyes, Memory* (LJ 3/15/94). Highly recommended.?Faye A. Chadwell, Univ. of Oregon, Eugene
