Or, is that just kind of book that you can check out to accompany the free time? Every person has different reason why they choose the certain book. It will certainly include specific cover style, interesting title, advised topic, needed theme, as well as specialist writers.

Amazon.com Review

Pop Princess, Rachel Cohn's third novel, will no doubt please some American Idol fans, but it is bound to leave fans of her cutting edge debut, *Gingerbread*, cold.

Wonder Blake is a fifteen year old frustrated chanteuse, stuck dreaming her pop star dreams in a small sleepy Cape Cod town while mopping the floor of the local Dairy Queen. Enter Gerald Tiggs, or "Tig", as he is known in the biz, the former manager of Wonder's older sister Lucky, who died tragically in a car accident two years earlier. Tig overhears Wonder wailing away on her Walkman at the DQ, and offers her a record deal on the spot. And the rest, as they say, is pure pop fantasy. Wonder vaults to insta-fame on the strength of her single, the appropriately titled "Bubble Gum Pop." In typical Britney/Christina fashion, she is tempted by drugs and alcohol, dissed by a famous diva, and caught between the boy next door and a mysterious stranger she meets on tour. All the while, Wonder longs for a return to the quiet life she used to have and the wise counsel of her beloved deceased sister.

Sound familiar? It should: Wonder's story could have been lifted wholesale from just about any episode of VH1's *Behind the Music*. What happened to the sly, sarcastic, hipper-than-thou-voice Rachel Cohn penned in her breakout hit *Gingerbread*? With *Pop Princess*, Cohn is in danger of losing her individual voice as much as her bubblegum snapping protagonist. Rather than breathing new life into a tired genre, Cohn's conventional, lighter-than-air read will surprise no teen, and provide about as much escapism as a night in front of the tube with Randy, Paula and Simon.--Jennifer Hubert

From School Library Journal

Grade 8 Up--Light, frothy, and delicious, this novel documents 15-year-old Wonder Blake's rise to fame and fortune. When the story begins, she's a not-very-popular high school student slaving away at Dairy Queen. She is "discovered" by an old friend of the family--the same man who managed her older sister Lucky's music career until Lucky was killed in a tragic accident. Wonder releases a single and catapults to fame, but predictably discovers that the life of a pop princess is not a bed of roses. She must still deal with family problems, romantic dilemmas, and the shallow world of the music industry, where she is viewed as a product to package and sell. She is tempted by parties, drugs, and drinking but quickly learns that they don't mix with her new career. Her love life is more difficult to navigate. Wonder falls for a college student and loses her virginity to him, but the boy next door proves attractive as well. Nothing about the novel's conclusion will surprise readers, but the twists and turns on the way are so much fun that no one will care. It's pure fantasy fulfillment, a pleasurable read with enough substance to make readers care about the main character and

cheer her on. With a gorgeous cover and major teen girl appeal, this is sure to be a winner.--Miranda Doyle,

From Booklist

Gr. 8-12. Fans of edgy, sarcastic Cyd of Cohn's *Gingerbread* (2000) may hesitate before picking up a book inspired by the likes of Britney Spears, but they won't be disappointed by this diary of a "reluctant pop princess." Wonder Blake, a 16-year-old who goes from dispensing soft-serve ice cream to recording a flossy hit in the "Macarena" vein, maintains an ironic distance on her meteoric rise that is vintage Cohn (phases of Wonder's career are coded by her hair color, which goes from brown to platinum). Readers may find the lessons of Wonder's pop apotheosis and subsequent return to private life a bit predictable (fortune and fame no matter the cost, bad; college and reconnecting with family and the boy next door, good), but the way her experiences help her cope with the loss of her sister, killed by a drunk driver, prevents the story from seeming too clichéd. Despite an overburdened ending, this is a snappy read that will be devoured with relish by YAs who love to hate the prefab perkiness of mainstream entertainment. Jennifer Mattson
