## Review

“This book is primarily intended for the man in the street. In a brief general introduction Casson gives a crisp account of Lucian’s life, views, and influence on posterity. He helps non-specialists by short introduction to each work and by a generous ration of lucid notes.... Casson’s translation... recaptures much of the wit and humor which are Lucian’s greatest gifts.... Casson’s translation can be recommended.”

—M. D. Macleod, *The Classical Review*

## From the Back Cover
