From School Library Journal

Grade 2-4-- An enthusiastic introduction full of practical information about the five fresh-water lakes. Henderson describes how the lakes were formed billions of years ago and presents historical information regarding early explorers and Indian tribes of the region. She includes a brief discussion of the kinds of ships that once sailed and those currently sailing the area, along with a description of the canals and locks built to connect the lakes. The final chapter touches on the ecological problems facing the area due to natural and industrial pollution. The book is illustrated with numerous full-color photographs and drawings. --Becky Rosser, Aversboro Elementary School, Raleigh, NC
