# **THE SEED OF YGGDRASIL: DECIPHERING HIDDEN MESSAGES IN THE OLD NORSE MYTHS BY MARIA KVILHAUG PDF**

Currently welcome, the most motivating book today from an extremely expert writer on the planet, *The Seed Of Yggdrasil: Deciphering Hidden Messages In The Old Norse Myths* By Maria Kvilhaug This is guide that many people on the planet waiting on to release. After the introduced of this book, the book enthusiasts are actually interested to see just how this book is in fact. Are you one of them? That's really correct. You might not be regret currently to seek for this book to review.

## Review

I give this book at sterling 5/5 it is excellent, well written, presented well and all around a worthwhile read! I recommend that heathens especially grab a copy and go check out Maria s videos as most of the book is the tome used throughout these...it is truly educational and enlightening! Maria Kvilhaug may not be a name that many people are aware of unless you have frequented YouTube or found her website (LadyoftheLabyrinth). I found it when I was doing research on initiation rituals and was almost giddy when I discovered her numerous YouTube videos discussing her views on various aspects of Norse Mythology. Heathens might know her from her thesis paper *The Maiden with the Mead-a Goddess of Initiation Rituals in Old Norse Myths*, and if not, they should go grab a free copy of this paper. It was one of the first few thesis papers I read when I began to doubt the overwhelming references to the Edda. I found her paper eye-opening and frankly wondered why this paper had not made it into the list of readings for heathens.

After the course of watching several videos, I began to find what Maria said not only intriguing but down right conflicting with modern heathenry's ideas of our myths. I found this view refreshing, as it was not a repeat of what we already assumed but was a completely different view of myths. While I don t always agree with her interpretation of things, her research is flawless. She obviously knows what she is talking about. She is also approachable, untainted by preconceived notions. In heathenry today, we often tend to only look to the Edda as a place to understand everything, but this understanding seems to be taken in many ways out of context. What we know about the myths comes from various periods of research and seems to have been accepted as fact instead of being constantly updated with new ideas. --- --L Hunter, *THE KENAZ KINDRED* (CAN)

*The Seed of Yggdrasil* is a controversial and insightful exploration of Norse myths from a pantheistic perspective. Maria Kvilhaug is to be congratulated for bringing the ancient tales alive again for both those who already know something of them and for those who have yet to drink from this inexhaustible well. This is a valuable work for the student of myth and an essential one for those who would revive the Northern Tradition. -- --Richard Rudgley, BBC4

. . an outstanding text that anyone who is interested in the Old Norse Myths can delve straight into the heart of Norse Paganism and come out with a deep understanding of the whole belief system. Maria s translation

and interpretations of the meanings of the Edda poems are brilliant. --Jade Ashcroft-ENLIGHTENED TIMES MAGAZINE, (uk)

#### About the Author

Maria Kvilhaug graduated from the University of Oslo in 2004 with a degree in Cultural Studies (Old Norse Philology). Previously she studied World History and Philosophy (Norway) and graduated with a Bachelor of Arts in 2000 (Camberwell College UK). She has written articles and frequently lectures on the subject of Old Norse Mythology. In 2012 she gave a paper at the ARC convention, Bath, UK entitled The Maid with the Mead and lectured at the Mytologifestivalen in Kvinnherad, Norway, 2013. Published works include: The Maiden with the Mead 2009, a lecture series: Hidden Knowledge in Old Norse Myths 2010, and currently, The Seed of Yggdrasil . Her You Tube channel Earth Mythic Library is gaining popularity in new age pagan communities as well as academic interest. Planned publications include a series of Historical fiction works based on the life and times of the sorceress of Oseborg. Kvilhaug lives in Norway and is working toward a PHD Sibyls and Oracles in Greek, Norse and Igbo cultures at the University of Oslo.
