Review

“Battle Cries is the most comprehensive study of intimate partner abuse in heterosexual Black relationships. Battle Cries makes a significant contribution to the scholarship on domestic violence and our understanding, in particular, of African American women and their experience of and responses to abusive relationships. Her comparative approach to the topic and her class analysis also makes this the most compelling book to be published recently on the challenges facing Black women in the U.S.”

-Beverly Guy-Sheftall, co-author of Gender Talk: The Struggle for Women’s Equality in African American Communities
