Review

"Choyce's writing style is clear and concise...The hi-low format—with its emphasis on plot, action, short chapters, and large font—assures that teens reading below grade level can easily follow the story's fast pace." (CM Magazine 2012-01-27)

"Students who are less independent or struggling readers will appreciate the language and length of this text...Recommended for school and public libraries who want to add a survival story to their hi-lo collection." (Resource Links 2012-04-01)

From the Back Cover

I could have been a good boy and done what I was told. But that wasn't my style. I just kept paddling, straight into the morning sun. After his latest conviction for breaking and entering, Cameron is sent to an outdoor program for young offenders rather than a standard juvenile detention facility. There he meets Brianna, a girl who has been caught selling drugs at her school. They bond quickly, and she convinces Cameron to steal two sea kayaks and head off with her into the wilderness just as a hurricane is about to pound the coast.
