You can review it when you have spare time in your office, when remaining in a bus, when going to house before sleeping, as well as more others.

## **Review**

A comprehensive treatment of the security agenda... The coverage is wide-ranging and well informed and the use of examples makes the book approachable for those new to the field of security studies. - John Williams, University of Durham; "A welcome addition... This survey and critique of the central problem of international relations is to be recommended as a contribution to security studies in general, and is also one of only a few books to address the issue from the Critical Security perspective." - Bill McSweeney, Trinity College Dublin

## **About the Author**

Michael Sheehan is professor of international relations at the University of Aberdeen. His recent publications include *The Balance of Power: History and Theory* and *National and International Security*.
