"You will bring the word of the Q'ero to the world." (Don Mariano Apasa Marchaqa, Q'ero Master, speaking to the author)

". . . a really fabulous book! . . . if you have any interest in the 'Mystical Q'ero' (who had been thought of only as 'legends' before their re-appearance in the late 50's!), this is probably the most legitimate over-view that's out there . . . highly recommended!" (BTripp, LiVE JOURNAL, April 2009)

"A treasury of shamanic knowledge and practices whose insights into an ancient wisdom can help those of us living in a modern society find attunement with nature and harmony within ourselves." (Kenneth Meadows, author of Shamanic Experience)

"The Q'ero have preserved a path for which many in the modern world hunger and thirst--how to participate in a world of living energies." (William Sullivan, author of The Secret of the Incas)

"Treats the beliefs and religion of the Quechua people with profound feeling and a deep identification seldom seen." (Jorge A. Flores Ochoa, professor of anthropology, National University of Cuzco, Peru)

"Joan Parisi Wilcox has given us a mature and sensitive portrait of a mystical system as seen through the eyes of its practitioners, the Q'ero. Written with heart and respect, this book is a gateway for serious seekers to discover the world of living energy and to learn how to live in harmony with nature and each other." (Deepak Chopra, author of The Seven Spiritual Laws of Success)

Known as the “keepers of the ancient knowledge,” the Q’ero Indians of Peru are the most respected mystics of the south-central Andes. In 1996 Joan Parisi Wilcox traveled to the Andes and was able to record the mysteries of kawsay pacha, the multidimensional world of living energy, through intensive interviews with six Q’ero paqos, masters of the ancient spiritual traditions of Peru.

The Q’ero are known for having preserved the Inca spiritual tradition more purely than any other indigenous population in the Andes. The in-depth interviews presented in this book recount the direct words of these masters so readers can discover for themselves the mind and heart space of these people. Several chapters focus on the work of the mesa, the Andean form of a spiritual medicine bundle, and its use as a conduit for the healing energies of nature. The mesa is called the “heart’s fire” because it represents the finest energy--the energy of compassion--that a paqo cultivates while walking the sacred path. An Andean paqo provides instructions on how to make, activate, and work with a mesa, and Wilcox provides other practical exercises showing how we can use the power of the Andean spiritual tradition in our own lives.
