Do not you think that reading publications will provide you a lot more advantages? For all sessions and also types of publications, this is considered as one way that will certainly lead you to obtain finest. Each publication will certainly have various declaration and various diction. Is that so? What regarding guide entitled Prague Palimpsest: Writing, Memory, And The City By Alfred Thomas Have you heard about this publication? Begin; don't be so lazy to know even more concerning a book.

## **Review**

“Prague Palimpsest explores the complex interplay between history and imagination in representations of what the poet Vit?zslav Nezval called the ‘city-book.’ . . . The five main chapters supply fresh discussion of particular traditions: myths of the city’s origin; the Golem and Prague’s Jewish heritage; Kafka and his legacy; the relationship between Prague and Paris in the interwar avant-garde; and the writings of Paul Celan, Ingeborg Bachmann, and W. G. Sebald. Each supplies a rich store of examples, and shows a different Prague: nationalist capital, Gothic Praga magica, or city of surrealist flânerie.”

(Times Literary Supplement)

“Prague Palimpsest should find an eager audience among scholars curious as to how writers have written in or around the city. Brief but elegant summaries of the works under discussion are followed by inspired interpretations.”

(Slavic Review)

## **About the Author**

Alfred Thomas is professor of English and Germanic Studies at the University of Illinois at Chicago and the author of five books, including, most recently, *The Bohemian Body: Gender and Sexuality in Modern Czech Culture*.
