The means is by getting Shay's Rebellion: The American Revolution's Final Battle By Leonard L. Richards as one of the reading material. You can be so relieved to review it because it will certainly offer more opportunities and also advantages for future life.

From Publishers Weekly

American history books have long insisted that Shay's Rebellion (1786-1787) the Massachusetts insurrection that pulled George Washington out of retirement and ultimately sped the revision and ratification of the Constitution was an uprising of poor, indebted farmers. University of Massachusetts Amherst history professor Leonard L. Richards begs to differ. In his Shay's Rebellion: The American Revolution's Final Battle, Richards investigates the identities of the rebels and argues that they were generally not poor at all, and that scholars have misunderstood the causes of this pivotal revolt.
