Reading will certainly not be bound, actually. Reading is one's need that could stare at anybody else. You can be part of guide lovers as well as great readers to constantly review and also complete the valuable books.

Review

"Well written without prejudice or polemics. The explanations of complicated subjects are succinct and without jargon... Will work well as a beginning text to introduce students to the civilizations of the Ancient Near East, Greece and Rome... Also a good text for classes exploring this world from the starting point of the ancient city." - William Biers, Professor Emeritus, Department of Art History and Archaeology, University of Missouri-Columbia.

About the Author

Charles Gates is senior lecturer of archaeology and art history at Bilkent University in Ankara, Turkey. His research focuses on Minoan, Mycenaean and Greek art and archaeology. Since 1993 he has participated in the excavations at Kinet Höyük (Turkey), a Bronze and Iron Age port city in the north-east Mediterrean.
