EVERYTHING I'M CRACKED UP TO BE: A ROCK & ROLL FAIRY TALE BY JEN TRYNIN PDF

For more intriguing reason, you may unknown about the material of this book, may you? Why do not you attempt to understand? Understanding brand-new thing will certainly result in conceptualize the life much better. You could not just review as the activities, but analysis can be a way to earn your life run well. By this Everything I'm Cracked Up To Be: A Rock & Roll Fairy Tale By Jen Trynin you could really imagine exactly how the life will certainly be as well as need to be.

From Publishers Weekly

Trynin takes readers along on her wild ride up and down the cutthroat, fad-driven pop music machine—but her trip is more of a wacky nightmare than a fairy tale. In college, majoring in creative writing, she is thrilled by a band playing "loud and angry and fast." She joins a rock band, playing guitar and singing, and when the cops shut them down, she "never had so much fun." After several years trying to "get out of the Sunday-through-Wednesday-night folk/acoustic-chick-band wasteland and into the rock scene," she decides that if "something really wow isn't happening by the time I'm thirty, I'm done." And something wow does happen. With a self-styled geek-grunge makeover and a new raunchy electric guitar attitude, suddenly Trynin is being courted by entertainment lawyers, managers and major labels. She survives the exhilarating, terrifying, lonely whirlwind by starving herself, smoking, drinking and surreptitiously sleeping with her bass player. Trynin is charming: ingenuous but intelligent, whimsical but savvy. When she's dropped by the heavies as abruptly as she was discovered, it's a relief she has a steady, sensible boyfriend to settle down with, particularly since her passion for rock and roll seems to be more about youthful rebellion than music.

From Bookmarks Magazine

It's been over a decade since Jen Trynin's first album hit the shelves—and maybe time, as well as getting her story down on paper—has healed some wounds. For all the ups and downs of her flirtation with stardom, she shows neither bitterness nor excessive self-regard. In direct, insightful prose she weaves a tale of manipulation, betrayal, and the power of fame's allure. Critics are as charmed by her debut book as they were with her first album. Let's hope, for Trynin's sake, that acclaim isn't a bad omen.

From Booklist

What happens when you get what you want? The question haunts this funny, ultimately poignant memoir of a rock-and-roll fairy tale becoming a rock-and-roll nightmare. Briefly in the mid-nineties, Trynin was, much to her surprise, the subject of a major record-company bidding war. Lawyers, managers, and booking agents all wanted a piece of her, and Trynin devotes a lot of prose to her wooing by "industry types" smelling money. At first, she was flattered ("I'm so excited that anyone wants to meet with me at all"); later, overwhelmed. Despite excellent reviews, her debut recording's sales fizzled, and the telephone stopped ringing. She captures the strange sensations the music business affords: seeing one's face on a national

magazine's cover; going on talk shows in which there is little, if any, contact with the host; inane interviews with clueless DJs; planned tours that don't materialize. She dutifully played the part of the rock star, always feeling like a fraud. Terrific reading for anyone interested in rock and the music industry. June Sawyers
