## **Review**

Sally Eichhorst has gone from a lass who used to sleep with a notepad and pen next to her bed, to a fully fledged successful published writer. This is her first individual effort. The talented motivational writer always knew she had a way with words and this book proves it. Its aim is to get people raring to go and get them to reach for their dreams. The formula for happiness is to know what you want and to do everything you can to achieve it. Don't settle for second best is the message. --Highway Mail Newspaper
