## **Review**

«By means of this book, Tan Yak-hwee establishes herself as an important postcolonial biblical scholar. She elucidates carefully the colonial ideology of John's Gospel and points to a vision of resistance of the Johannine community. Cogently argued and clearly written, the book will be indispensable for biblical scholars, seminarians, and others interested in postcolonial criticism. -- Kwok Pui-lan

«This volume will be particularly attractive to those interested in cross-cultural and interdisciplinary exchanges. Drawing profitably on postcolonial and literary-rhetorical analysis, Tan Yak-hwee situates the Johannine community in its imperial context and pays attention to issues posed by the Roman occupation - representation, identity, and power. Her reading of the Johannine Farewell Discourse is one of the most innovative and nuanced interventions to emerge recently. This book is an excellent addition to the ever-growing literature on postcolonial biblical criticism, and, more specifically, required reading for those interested in Johannine studies. -- R. S. Sugirtharajah
