Feel lonesome? What concerning reviewing books? Book is just one of the greatest friends to accompany while in your lonely time. When you have no good friends as well as activities somewhere as well as sometimes, checking out publication can be a wonderful option. This is not just for spending the time, it will boost the understanding. Naturally the b=advantages to take will certainly connect to exactly what type of book that you read. As well as currently, we will certainly concern you to attempt reading *The Language Of Robert Burns: Style, Ideology, And Identity By Alex Broadhead* as one of the reading product to end up quickly.

## **Review**

In this fascinating study, Broadhead presents a picture of Burns that is far removed from the rustic self-educated Scottish peasant who used the Scottish dialect in his poetry because he was not sufficiently sophisticated in his use of English. . . .Broadhead takes a 21st-century sociolinguistic approach to show that Burns not only had great command of both English and Scots, but also was a master linguist who manipulated different registers and dialects in his poetry. The author presents his argument in his coherent introduction; in the five chapters that follow, he focuses on different aspects of Burns's use of language in his poetry. Writing primarily for those conversant with literary criticism, the author includes easy-to-understand explanations of the linguistic concepts he uses and a wealth of examples from the poetry itself to illustrate his argument effectively. In taking a linguistic approach, Broadhead reveals another intriguing layer of Burns's sociopolitical and cultural impact. . . .A helpful glossary of Scots words is included. *Summing Up: Highly recommended. Graduate students through faculty. (CHOICE)*

For most literary scholars, the value of the book may seem to lie in its detailed comments on particular works or passages, but it also lays out a larger case about the language scene in late 18th century Scotland and about Burns's activity and significance for its continuing development. (*Studies In Scottish Literature*)

## **About the Author**

Alex Broadhead is a University teacher at the University of Liverpool.
