## **From the Inside Flap**

In this landmark book, based on more than twenty years of research, William H. Bergquist presents a comprehensive analysis of the four distinct cultures in higher education--collegial, managerial, developmental, and negotiating--to provide important insights into the dynamics of collegiate organizations. Bergquist details how the four cultures interrelate--exploring in depth their similiarities and differences--by using real-life examples from a variety of college campuses.

## **From the Back Cover**

In this landmark book, based on more than twenty years of research, William H. Bergquist presents a comprehensive analysis of the four distinct cultures in higher education--collegial, managerial, developmental, and negotiating--to provide important insights into the dynamics of collegiate organizations. Bergquist details how the four cultures interrelate--exploring in depth their simiiarities and differences--by using real-life examples from a variety of college campuses.
