When you have reviewed it a lot more pages, you will recognize a growing number of once more. Additionally when you have actually read all finished. That's your time to always keep in mind and also do exactly what the lesson and experience of this publication offered to you. By this problem, you need to understand that every book has various way to offer the perception to any visitors. Yet they will certainly be as well as have to be. This is what the DDD constantly provides you lesson about it.

Amazon.com Review

On a spring day in April--sometime in the waning years of the 14th century--29 travelers set out for Canterbury on a pilgrimage to the shrine of Saint Thomas Beckett. Among them is a knight, a monk, a prioress, a plowman, a miller, a merchant, a clerk, and an oft-widowed wife from Bath. Travel is arduous and wearing; to maintain their spirits, this band of pilgrims entertains each other with a series of tall tales that span the spectrum of literary genres. Five hundred years later, people are still reading Geoffrey Chaucer's Canterbury Tales. If you haven't yet made the acquaintance of the Franklin, the Pardoner, or the Squire because you never learned Middle English, take heart: this edition of the Tales has been translated into modern idiom.

From the heroic romance of "The Knight's Tale" to the low farce embodied in the stories of the Miller, the Reeve, and the Merchant, Chaucer treated such universal subjects as love, sex, and death in poetry that is simultaneously witty, insightful, and poignant. The Canterbury Tales is a grand tour of 14th-century English mores and morals--one that modern-day readers will enjoy.

From Publishers Weekly

Like Charles Lamb's edition of Shakespeare, Hastings's loose prose translation of seven of Chaucer's tales is more faithful to the work's plot than to the poet's language. This is not a prudish retelling (even the bawdy Miller's tale is included here) but the vigor of Chaucer's text is considerably tamed. In the original, the pilgrims possess unique voices, but here the tone is uniformly bookish. The colloquial speech of the storyteller is replaced by formal prose; for example, while Cohen (see review above) directly translates Chaucer's "domb as a stoon" as "silent as stones," Hastings writes "in solemn silence." Cartwright's startling paintings skillfully suggest the stylized flatness of a medieval canvas, but often without the accompanying richness of detail. Like Punch and Judy puppets, the faces and voices of these pilgrims are generally representative but lack the life and charm of the original text. Ages 10-up.
