Review

"One hundred years ago, God raised up a voice so cutting, that it penetrated the hardened hearts of the sleeping Churches. The Christians were shocked and angered by such piercing words. God was crushing the believers by the voice of Charles G. Finney and a tremendous revival swept over the land. Today there is no voice strong enough to awaken the sleeping Christians and the end time is here. The Lord has placed on my heart to bring before the believers some of Finney's burning words." --Jack T. Chick - Author
