Want to get experience? Want to get any ideas to create new things in your life? Read Bram Stoker's *Dracula: The Critical Feast, An Annotated Reference Of Early Reviews & Reactions, 1897-1913 From Brand: Apocryphile Press* now! By reading this book as soon as possible, you can renew the situation to get the inspirations. Yeah, this way will lead you to always think more and more. In this case, this book will be always right for you. When you can observe more about the book, you will know why you need this.

From the Author

Dr. Carol A. Senf, author of *Bram Stoker (Gothic Authors: Critical Revisions)* and *The Critical Response to Bram Stoker*, wrote:

- "Dryden said of *The Canterbury Tales* that "here is God's plenty," and one might say the same thing about Bram Stoker's *Dracula: The Critical Feast*. Browning has assembled an exhaustive collection of contemporary reviews of *Dracula*, reviews that put Stoker's novel into context and demonstrate its almost instantaneous popularity. In addition, *The Critical Feast* includes copies of early covers and photographs of Stoker. This is a book that every student of *Dracula* will be proud to own...and pore over, a feast for the eyes and for the mind."

Robert Eighteen-Bisang, author of *Bram Stoker's Notes for Dracula: A Facsimile Edition* and *Vintage Vampire Stories*, wrote:

- "*Dracula* has become an icon of popular culture. Even children and people who have never read Bram Stoker's macabre masterpiece can identify *Dracula* as a 'vampire' from 'Transylvania.' John Edgar Browning has captured the spirit of the novel in 91 reviews that were published Australia, Canada, England, New Zealand and the United States of America from May 27th 1897 to 1913, a year after Stoker's death. These reviews are as entertaining and informative today as they were more than a century ago when millions of people first learned about Count *Dracula*. Contrary to popular belief, *Dracula* has been a critically acclaimed phenomenon since it was first published in 1897. The reviewers' feelings of amazement, delight and disgust at what one writer called 'the very weirdest of weird tales' are enhanced by a scholarly introduction and dozens of footnotes."

Dr. Margaret L. Carter, author of *The Vampire in Literature: A Critical Bibliography* and *Different Blood: The Vampire as Alien*, wrote:

- "Both scholars and devoted fans will rejoice in Bram Stoker's *Dracula: The Critical Feast*. This exhaustive compilation fulfills a long-standing need in the realm of *Dracula* studies and provides a valuable fresh perspective on the early popular and critical reception of Stoker's masterpiece."

Dr. Elizabeth Miller, author of *Bram Stoker's Dracula: A Documentary Journey into Vampire Country and the Dracula Phenomenon* and *Bram Stoker's Notes for Dracula: A Facsimile Edition*, wrote:

- "This meticulously researched book puts to rest misconceptions long held by many Dracula scholars (myself included) about the reception of Stoker's novel. A superb achievement and a scholar's delight!"

#### About the Author

John Edgar Browning is a Ph.D. student and Arthur A. Schomburg Fellow in American Studies at SUNY-Buffalo. He has contracted and co-/written eight books, including *Draculas, Vampires, and Other Undead Forms* (2009), *Dracula in Visual Media* (2010)-winner of the 2011 Lord Ruthven Award, and *The Vampire, His Kith and Kin: A Critical Edition* (Apocryphile Press, 2011).
