Greenbaum that comes from terrific author to show you. Guide Blaming The Poor: The Long Shadow Of The Moynihan Report On Cruel Images About Poverty By Susan D. Greenbaum supplies the best experience as well as lesson to take, not only take, but likewise discover.

## Review

"An intimate portrayal of social science researchers' and policy makers' roles in shaping perceptions of the poor in the US ... By examining the ways in which the tangle of pathology thinking has shaped housing, criminal justice, and antipoverty programs, Greenbaum highlights that the real winners of these programs are the non-poor. She argues that dismantling racialized stereotypes of the poor and holding open discussions with those who experience poverty will lead to more sustainable solutions to poverty ... Essential. All academic levels/libraries." (CHOICE)

"Wonderfully engaging ... Susan Greenbaum has written an important book, which deserves a wide audience among both practitioners and academics." (Journal of Urban Affairs)

"I applaud Susan Greenbaum's timely book, with its sober reasoning, scrupulous scholarship, theoretical acumen, lucid prose, and penetrating and spirited critique of mainstream perspectives on poverty." (Stephen Steinberg Queens College and the Graduate Center, City University of New York)

"Greenbaum's powerful and important book provides valuable and little-known context for the Moynihan Report. She traces the ideas in that report as they were adopted and challenged over time." (Brett Williams American University)

## About the Author

SUSAN D. GREENBAUM is a professor emerita of anthropology at the University of South Florida. Her book *More Than Black: Afro-Cubans in Tampa* won several awards and was selected as a Choice Outstanding Academic Book of 2003.
