It will certainly not take often times to get one publication [Foundation Clinical Nursing Skills By Charles Docherty, Jacqueline McCallum](#) It will rely on your net connection. Just acquisition and download the soft documents of this book Foundation Clinical Nursing Skills By Charles Docherty, Jacqueline McCallum

Review

`By far the best clinical skills book I have seen in a long time. ' Rachel Williams, Senior Lecturer and Clinical Skills Demonstrator, University of West England

`Made especially for student nurses and includes each branch in the book instead of generalizing to adults. ' Emma Bloomfield, Student, Children's Nursing, University of Leeds

`The links between physiology, theory and practice are done well. Very comprehensive...a good aid throughout the student's training and beyond...' Sarah Jackson, Advanced Paediatric Nurse, Royal Liverpool Children's NHS Trust

`The book would help students feel more confident prior to starting a placement. I like the explanations of skills and the way they are broken down into small steps, which make them seem less daunting. The book goes into a lot of detail and answers questions the students may be thinking, but wouldn't ask.' Kerry Harkin, Modern Matron, Birmingham and Solihull Mental Health NHS Trust

`It offers a wide range of pedagogic approaches... Being able to access a range of teaching and learning aids, on-line resources and scenarios should enable the students to develop the requisite knowledge, skills and attitudes in applying clinical skills.' Eric Broussine, Senior Lecturer, Learning Disabilities Nursing, University of the West of England

About the Author

Charles Docherty, Senior Lecturer in Nursing at Glasgow Caledonian University. He provides strategic direction to practice-based learning in the School of Nursing, Midwifery and Community Health. He has published on the acquisition of clinical skills in simulated environments and his doctoral studies focused on how mentors assess nursing students' clinical performance.

Jacqueline McCallum, is Senior Lecturer in Clinical Simulation at Caledonian University. She teaches modules in clinical skills, adult nursing and critical care. She specialises in skills and simulation education,

including the use of actors and 'mid-fidelity' simulators as patients. Having spent eleven years as a cardiac nurse, Jacqueline has written numerous articles on cardiac and critical care nursing, as well as skills acquisition.

FOUNDATION CLINICAL NURSING SKILLS BY CHARLES DOCHERTY, JACQUELINE MCCALLUM PDF

What do you believe to conquer your issue required now? Reviewing a book? Yes, we agree with you. Publication is just one of the real sources and enjoyment sources that will be always located.
