## Review

There s no one I trust more than Mark Dever to teach what the Bible tells us about Christianity and government. I commend this book to you. --Collin Hansen, The Gospel Coalition

Mark Dever has provided an insightful exposition of what it means for us to render unto Caesar what is Caesar s, casting a positive vision for Christian engagement in politics. Highly recommended. --Sam Allberry, author of Is God anti Gay?

This is a little book full of big surprises. There are many books about God and politics but few that are all about Jesus and very few that are about one verse in the bible. Mark Dever superbly unpacks Jesus surprising response to his opponents question, which Jeremy Paxman would have been proud of is it right to pay taxes to Caesar or not? He has become every politicians favourite author by daring to thank us for doing God s work . But Mark does not let you or me get away with just giving that coin back to Caesar given his clarion call to give yourself to God . He sets out Jesus wonderful vision which goes deeper and higher than politics. It leads us to grow in our respect for politics and our hope for better to come. --David Burrowes, UK Member of Parliament
