Amazon.com Review
Illustrator Lynn Munsinger, along with a very cute family of bears, brings 20th-century songwriter Irving Berlin's 1938 classic to life in God Bless America, a warm, nostalgic picture book packaged with a CD of the song sung by none other than Barbra Streisand. Berlin's original lyrics are accompanied by various scenes of a bear father and his two cubs on a road trip--from the mountains, to the prairies, to the ocean white with foam. Along the way they witness a parade of firefighters and police officers, stop at the Lincoln Monument, and stand in the crown of the Statue of Liberty. The trip ends back at the ranch: "My home sweet home." Inspired youngsters will find the musical notation to the song at the back of the book. A portion of the publisher's proceeds will be donated to the God Bless America Fund to benefit American youth. (Ages 4 to 8)

From Publishers Weekly
In another song-lyrics-turned picture book-text, God Bless America by Irving Berlin, illus. by Lynn Munsinger, comes packaged with a CD, with the tune sung by none other than Barbra Streisand. Munsinger keeps the focus on Manhattan in an opening scene as well as with a parade of police officers and fire fighters, but she also adds cherry blossoms to a scene of the Lincoln Memorial at the capital, and of course the mountains, prairies and oceans (white with foam). Ages 3-7.

From Booklist
PreS. Irving Berlin wrote it, Barbra Streisand sings it on a CD that comes with the trade edition, and Munsinger illustrates it for young preschoolers with clear, upbeat, light-filled pictures that show a family of bears visiting New York, honoring brave firefighters and policemen in a parade, and then traveling across their beautiful country--"from the mountains to the prairies to the oceans . . ." Fireworks at the soaring Statue of Liberty are a fitting climax; then it's hugs and kisses and a view of the flag at home sweet home. The words and musical notation are appended, and the endpapers feature snapshot views of sights and monuments across the U.S., from the Liberty Bell to the Golden Gate Bridge. The art is a far cry from Munsinger's usual wild nonsense, but it shows the same intimate, smiling, affectionate view of the small child's place, safe in the arms of Dad, while opening up to a widening world.
