MATTERS OF CHOICE: PUERTO RICAN WOMEN'S STRUGGLE FOR REPRODUCTIVE FREEDOM BY PROFESSOR IRIS LOPEZ PDF

Reviewing is in fact a need to and this is crucial in this life. When someone is reading whole lots, simply make manage your very own idea, exactly what about you? When will you start to read lots? Many individuals constantly aim to utilize their time [flawlessly to read. A book that becomes reading products will certainly end up being buddies when they remain in lonely. The Matters Of Choice: Puerto Rican Women's Struggle For Reproductive Freedom By Professor Iris Lopez that we have actually given right here will certainly refer to the excellent way as well as recommendation that can set good life.

Review

In this unique and compelling book, Iris Lopez not only encourages a rethinking of reproductive models but features women's own voices and life experiences. I recommend Matters of Choice to anyone interested in learning more about how the national, class and racist legacies of reproductive policies influence the lives of women today. (Dr. Alice Col=n Warren Researcher, Social Science Research Center, University of Puerto Rico)

"In Matters of Choice, Iris Lopez presents a nuanced analysis of the multiple forces that lead to high sterilization rates of Puerto Rican women. Using their voices, Lopez illuminates women's reproductive agency, pushing us to think more deeply about the meaning of la operación. (Patricia Zavella professor of Latin American and Latino Studies, University of California, Santa 2008-07-15)

"A heart-wrenching look at US domination over working-class Puerto Rican women that has been largely unexplored until now." (Juan Flores author of The Diaspora Strikes Back 2008-07-30)

"Matters of Choice is that rare work of scholarship whose ideas and rich findings are central to the literatures on social movements and gender studies. Lopez explodes the usual binary of victim vs. free agent and helps us to imagine what real reproductive justice might look like" (Rosalind Petchesky Distinguished Professor of Political Science, Hunter College 2008-08-14)

"Lopez presents an integrated model that moves beyond the binary of choice and constraint to locate the experiences of Puerto Rican women in a continuum....The integrated model provides an opportunity to better understand how personal, cultural, social, and historical factors operate and inform reproductive decisions. Highly recommended." (Choice 2009-07-01)

"Unlike previous work on women's reproductive control, Lopez offers a more nuanced and complex understanding as to why [sterilization] has been so popular among Puerto Riquenas. It is written in an

engaging, clear, and accessible manner...essential reading for those interested in the social construction of the body, reproduction, and Latina women's experiences." (Feminist Formations (Formerly NWSA Journal) 2099-01-01)

"Lopez's work fills a tremendous void in the social science literature about Puerto Rican women's lives and fertility. One of the more impressive aspects of this work is the depth of the ethnographic interviews: each woman's voice rings loud and clear. Matters of Choice should be standard reading for students of the Puerto Rican and Latina condition, and not just female students but all students." (Centro: Journal of the Center for Puerto Rican Studies 2009-09-01)
