Review

Praise for *Pushout*:

"*Pushout* is for everyone who cares about children, especially teachers, school administrators and policymakers, whose decisions - big and small - shape how black girls learn and live."

—Washington Post

"The personal stories at the heart of the author's discussion create a compelling study that puts a human face on both suffering and statistics...Morris' book offers both educators and those interested in social justice issues an excellent starting point for much-needed change. A powerful and thought-provoking book of social science."

—Kirkus

"Morris's work, buttressed by appalling statistics and scholarly studies, is supplemented by two useful appendices...and a list of community resources."

—Publishers Weekly

"A thoughtful appendix offers numerous questions and answers for girls and young women, parents, the community, and educators. Timely and important."

—Booklist

"A powerful indictment of the cultural beliefs, policies, and practices that criminalize and dehumanize Black girls in America, coupled with thoughtful analysis and critique of the justice work that must be done at the intersection of race and gender."

—Michelle Alexander, author of *The New Jim Crow*

"If you ever doubted that Supremacy Crimes—those devoted to maintaining hierarchy—are rooted in both sex and race, read *Pushout*. Monique Morris tells us exactly how schools are crushing the spirit and talent that this country needs."

—Gloria Steinem

"This book is imperative reading, not only for educators and those in the justice system but—perhaps especially—for anyone who loves and sleeps down the hall from a young, developing African American woman."

—Lisa Delpit, author of "Multiplication Is for White People" and *Other People's Children*

"A dynamic call to action. Black girls' exposure to being pushed out of school and set on paths to incarceration, physical and economic insecurity, and social marginality is so movingly set forth by Morris that it can no longer be ignored. *Pushout* is essential reading for all who believe that Black lives matter."

—Kimberlé Crenshaw, co-editor of *Critical Race Theory* and co-author of the reports "Say Her Name" and "Black Girls Matter"

"At a moment when footage of institutional assaults on young Black men emerges with a horrifying regularity comes a timely and indispensable look at the often invisible oppression of girls of color. *Pushout* blazes with the voices of young women fighting for their dignity, safety, and the fundamental right to a future."

—Nell Bernstein, author of *Burning Down the House* and *All Alone in the World*

"Despite increased attention to the mass and over-incarceration of Black men, the plight of criminalized Black women and girls is overlooked, underreported, and underanalyzed. Finally, a compelling narrative that tells us the heartrending story of how schools are culpable in re-victimizing some of our most vulnerable citizens. This is a must-read for educators, juvenile justice officials, parents, and the entire community."

—Gloria Ladson-Billings, Kellner Family Distinguished Chair in Urban Education, University of Wisconsin–Madison

"Morris's sharp analysis and the compassionate way she contextualizes these stories will surely compel readers to take action against the injustices that Black girls experience in schools and beyond."

—Beth E. Richie, author of *Arrested Justice*

Praise for Monique Morris:

"Monique Morris is a fearless and brilliant intellectual. Her groundbreaking work illuminates the pernicious challenges at the intersection of race and gender for African American girls in our education and criminal justice systems, and speaks directly and powerfully into the current moment."

—Sherrilyn Ifill, President of the NAACP Legal Defense and Educational Fund and author of *On the Courthouse Lawn*

Praise for *Black Stats*:

"Thank you Monique Morris for this gift of knowledge."

—Susan L. Taylor, editor in chief emeritus of *Essence* magazine

"*Black Stats* has become my go-to source..."

—Patrick Henry Bass, *Essence Magazine*

"Morris carries forward the best of the Du Boisian social science and progressive tradition."

—Khalil Gibran Muhammad, from the introduction to *Black Stats*

"*Black Stats* disallows for lingering inequalities to be camouflaged..."

—Utne
