From the Author

Behind the scenes with Adele Huxley!No spoilers here!Just as I discussed in the behind the scenes of Caught by the Blizzard, I wanted to challenge what readers think of the main characters. Do we, as readers, always have to like the protagonists? Aren't some of the most interesting characters in movies and books the ones we kind of hate? For me, and I know for a lot of you out there, Liz certainly checks those boxes!And then there's Bryan...who can't love Bryan??A note about the structureI've become a big fan of the two-book series. Readers can pick up the first book risk free, explore a new genre or author. Then hopefully they're happy to support the author by buying the conclusion. As an author, I want to make it as easy as possible for you to dive into a new book!I'd love to know what you think this series, the structure, plot, anything really! Thanks for taking a look!Adele
