TERMINATOR 3: TERMINATOR HUNT BY AARON ALLSTON PDF

Review

"Adolescents of all ages will have fun with Allston's rock-em sock-em riff on the characters and settings of last summer's Terminator 3: Rise of the Machines. . . Arnold's adventure fans, rejoice. This is the stuff that role-playing dreams are made of."

--Publishers Weekly on Terminator 3: Terminator Dreams

"There's a nice satirical sense and a vicious streak a mile wide that makes this a good read."

--Locus on Allston's original science fiction novel, Galatea in 2-D

From the Back Cover

A HUNT FOR THE TRUTH

A HUNT FOR SURVIVAL

Skynet, the most advanced artificial intelligence ever developed, has long since outstripped its human creators for deviousness, duplicity, and sheer ruthlessness.

In 2029, as the human Resistance inexorably pushes toward a victory over the machines, Skynet has a card to play that the Resistance can't counter. It can use one of the Resistance to betray all humanity.

When it snatches Paul Keeley, it uses his own instincts against him in a virtual reality simulation, in the form of a beautiful woman who wants to rescue him from the living hell of the future.

Unfortunately, that woman is a seductive, deadly Terminatrix. In Paul's virtual salvation lay the seeds of mankind's destruction, unless the Resistance can find key to unlock Paul's memory and hunt down the answers that will defeat the Terminatrix, the T-X, Skynet's most powerful weapon of all. . . .

About the Author
