From School Library Journal

Gr 6-9-Based on his therapist's recommendation, 13-year-old Henry begins to keep a journal of his experiences as he transitions to life in a new city, a new school, and in a new apartment with his dad. It's been a year since his older brother, unable to bear a bully's relentless torment, took a gun to school and killed the boy and then himself. Subsequently, Henry's mom has had a breakdown and has been in and out of a psych ward. Nielsen slowly reveals the plot, giving out clues as to what actually happened and the aftereffects of such a tragedy, always through the lens of the younger sibling. Farley, Henry's nerdy new friend who shares his family's love of wrestling, and classmate Alberta complement the story as they aggravate Henry and enrich his life, drawing him out of his anger and grief, and help him open up to others and try to find his way. With fully developed adult and child characters and a solid sense of middle school humor, the author has crafted an insightful and nuanced novel about bullying and suicide, and familial love and resilience.-Kathy Lyday, South Caldwell High School, NCα(c) Copyright 2011. Henry, 13, is in therapy, hence this journal. So, fine, he will write all about how his mom is in a psych ward, how his dad is floundering without her, their weird new neighbors, and, oh yeah, the reason they moved in the first place. It's been less than a year since Henry's older brother, Jesse, buckled beneath the pressure of bullying and did the unspeakable "IT." No, they don't speak of it. Instead, Henry focuses on his dorky new friend, Farley Wong, and comes up with a big idea: he could reunite his parents by raising enough money to buy them all tickets to a Global Wrestling Federation event—their favorite family pastime before Jesse ruined everything. There is quirk to spare here (take, for instance, the home-shopping-addicted neighbor, Mr. Atapattu), but it's in service of a highly emotional story about a family that blames one another, and themselves, for an unimaginable tragedy. Nielsen's balance of humor and pathos is finely honed, making this a surprisingly breezy read for so heavy a topic. Grades 5-8. --Daniel Kraus

Review

Winner - Governor General's Award - Children's Literature (2012)

FINALIST, BC Book Prizes' Sheila A. Egoff Children's Literature Prize

“The Reluctant Journal of Henry K. Larsen by Susin Nielsen is an engaging grief story. Thought-provoking and relevant, it addresses the effects of bullying in a realistic, compelling and compassionate way, exemplifying the adage ‘There are two sides to every story.’ Henry’s journey is moving and weirdly, wildly funny.”

—Jury’s Citation, Governor General’s Literary Award in Children’s Text

“...Words and writing are often a salvation in Nielsen’s YA fiction. Henry is forced to keep a journal by his therapist; he is at first reluctant, then obsessive about it. A born diarist, he exhibits the idiosyncratic voice of a memoirist, one keenly interested in documenting both his inner and outer worlds. He captures both with humour and heart.... Yet the novel is a dramedy, and believably balances lightness and darkness. It is a shame when the reader must put down the journal and say goodbye to Henry.”

—The National Post

“...A realistic, poignant portrait of one teen who overcomes nearly unbearable feelings of grief and guilt.”

—Kirkus Reviews

“Nielsen treats a heavy subject with a light, optimistic touch, and while Henry’s passion and distress are evident, his wacky commitment to ‘Saturday Night Smash-up’ and his own ironic, yet earnest, perspective leavens the serious subject matter.”

—The Toronto Star

“...Henry’s is a tough story to read and I can only imagine how hard it was to write it. But it’s one that really needs to be heard. And honestly, I couldn’t have pictured anyone but Nielsen telling it.”

—Lavender Lines

Beautiful and thought provoking The Reluctant Journal of Henry K. Larsen is filled with lessons, heartache, pain, anger, family and friendship. Wonderfully done....”

—Book Nerd
